Ai Weiwei's Circle of Animals/Zodiac Heads: Gold is now on exhibit at the [Arken Museum of Modern Art](#) in Skovvej, Denmark as part of an extended loan through 2016.

The Circle of Animals/Zodiac Heads: Gold are a captivating series of sculptures that recreate the 12 signs of the traditional Chinese zodiac. More than that, however, this body of work is Ai Weiwei's attempt to grapple with modern China's complicated relationship with its own history over the last two centuries.
